

TUU TIMES MAKES IT TWO IN A ROW -- St. Paul's Tuu Times repeated their 1995 A Side win this weekend, as they were named the champions of the 10th Annual Jan Frisby Memorial Ball Tournament, hosted by the Elk Point and District Lions Club this weekend. Lyle Frisby presents the trophy on behalf of the Frisby family to the rainsoaked winners after their victory over Lloydminster's LBX Blues. Hocus Pocus placed third. Fifteen teams took part in the two day tournament. More winners on Page 2.

Busy weekend coming up with 4-H show, rodeo and car show scheduled

Elk Point is gearing up for one of the busiest weekends of the year, with the Elk Point 4-H Multi Club Achievement Day, the Happy Daze Car Show and the Spring Classic Stampede all on the calendar.

The 4-H Achievement Day kicks things off at 4:00 p.m. Friday at the Fairgrounds Arena, with Grooming, Showmanship and Heifer Classes followed by the auction of a steer in memory of late 4-H member Bruce Smith, proceeds of the sale going to the club. The steer conformation class will finish up the day.

Saturday morning will see Main Street lined with vintage vehicles for the Happy Daze and Classic Car Show, which will also feature a radio controlled aircraft display, jam session of talent, food booths and many shopping specials. Viewers can vote for their favorite vehicles. The Car Show goes from 10 a.m. to 5 p.m.

Saturday also marks the start of the Spring Classic Stampede, which features 7 major and 2 junior rodeo events, plus a local Wild Cow Milking event. The rodeo is co-sanctioned by the Lakeland Rodeo Association and the Wild Rose Rodeo Association, with Lest Trach Rodeo Company supplying the stock for some real rip-roaring action. The rodeo goes at 1 p.m. Saturday and Sunday, with a social and dance Saturday at 9 p.m. in the Fairgrounds Arena. Come on out and enjoy all the action!

Frog Lake School holds 1996 prom and grad

By Ruth Purdy

Frog Lake School

The Frog Lake Napewaw School gymnasium was transformed into a tropical paradise as three Grade 12 graduands and thirteen Grade 9 promees celebrated their academic achievements on Friday, May 17, with the theme "Up Where We Belong."

Grade 12 graduands being honored were Brenda Couston, Steven Quinney and Cherie Stanley. Grade 9 promees included Curtis Abraham, George Fiddler, Kimberly Moosepayo, Lucille Moyah, Melissa Moyah, Michelle Moyah, Michelle Paul, Allaryce Quinney, Norman Quinney III, Eldon Stanley, Evangeline Stanley, Lillian Stanley and Lyla Stanley.

The evening commenced with a welcome by Master of Ceremonies Raymond Quinney, followed by the Grand March as each graduand and promee, accompanied by their escorts, paraded through the gymnasium greenhouse bedecked with hanging flower baskets, trailing ivies and potted plants, accompanied by the music of "Up Where We Belong." An opening prayer was given by elder Maurice Paul, followed by a welcoming message by Principal Laverne Wilson, who stated that he had learned much during his first year working within the Frog Lake community, and thanked the parents, students and teaching staff for their support. Following Wilson's message, a delicious meal, prepared by Donna Quinney was served, and toasts given to the grads, promees, parents and guardians, teachers and staff.

The banquet was followed by the Grand Entry of promees and graduands to commence the evening

program.

Chief George Fryingpan addressed the promees and graduands being honored and expressed the desire that there would be more graduates from Frog Lake School who will become the future doctors, nurses and teachers in this community.

Principal Wilson made a presentation on behalf of Paul Langevin, MLA, to each of the promees and graduands. This was followed by an introduction of the Grade 9 promees and recognition of their parents and guardians by Tim Doskoch. Grade 9 messages were given by Lillian Stanley and Eldon Stanley followed by the presentation of roses honoring the parents and guardians of the promees.

Guest speaker Margaret Quinney presented an inspiring message reminding the graduates of the importance of education and shared some of her struggles in obtaining her own education. She reminded the graduates that they can be thankful to be able to study and encouraged them to continue in their future endeavors with patience and bravery.

Following Marguerite Miller's introduction of the Grade 12 graduands, remarks were given by the three honored students:

Brenda Couston encouraged everyone to "work hard and never look back."

Steven Quinney recommended his fellow classmates "stay in school and you will accomplish what I finally did."

Cherie Stanley thanked her family for encouraging and supporting her to stay in school.

The graduands presented roses to their loved ones

and family members following these messages.

Entertainment during the evening was provided by Marmie Quinney singing "The Rose" and "The Wind Beneath My Wings."

On behalf of the Chief and Council, George Fryingpan made special presentations of cheques to the Grade 9s and Grade 12 graduands.

Guest speaker Annie Stanley stated that these students are deserving of the celebration of their accomplishments and challenged the graduands to look back upon their hard work and endeavor, and set their goals even higher as they make the choices for their futures through entering college or the work force. She stated, "Education is the key to a prosperous and fulfilling life. Do not lose your desire to continue with your education. Education is the key to achieving your dreams and desires." Annie Stanley challenged the students to continue with their education in order that they can truly be "Up Where They Belong." Presentations of graduation rings were also made to the graduands by Ms. Stanley.

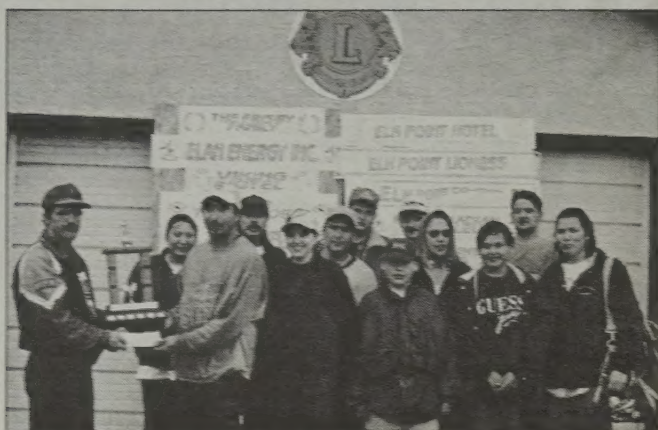

Board of Education member Edward Monias also addressed the graduands and promees and stated that there is a definite need for education today to counteract the many problems that are experienced in our society. He wished the students success in their future.

Elders Lawrence Quinney, Dewey Dion and Maurice Paul presented eagle feathers to the three graduands. The eagle feather is one of the highest awards that can be received in the native culture and is of spiritual significance to remind you of where you are.

Playground safety — a checklist for parents

By Deanna Easthope

FCSS Director

Spring is here and our children are outside playing in the playgrounds. Because of our involvement with the Family Day Home Program, each year our office receives material regarding safety of our children. Playgrounds can become a concern for parents of children who play in them.

Did you know that since 1982, seven children have died in Canada when their clothing or drawstrings got caught on playground equipment or on fences? Since 1988, two children have died when they became entangled in ropes or skipping ropes attached to playground equipment. Always take off, tie up or tuck in cords and drawstrings and all clothing that can strangle a child.

Loose clothing, hoods and scarves can get caught on playground equipment or fences

and strangle a child! Drawstrings on hoods, hats and jackets, mitten cords and items placed around the neck on a string can get caught on playground equipment and strangle a child!

Always remove ropes and skipping ropes tied to slides and other playground equipment. Ropes and skipping ropes tied to slides and other playground equipment can get entangled around the neck and strangle a child!

Playground fun should be closely supervised! Children should be taught to play safely! I have quoted the above facts from "Kids Care Secur," a Canada newsletter.

Also in our office is a "Playground Safety Checklist" as developed by Alberta Safe Kids Campaign. It is a good guide to check out the playgrounds where your children play. I will outline the questions:

"PLAYGROUND SAFETY CHECKLIST"

1. If your child falls from play equipment, will he/she fall on a surface that reduces the chance of injury?
2. Are pieces of play equipment located far enough apart from each other?
3. Is play equipment at a safe height above the ground?
4. Does play equipment have adequate guard rails and handrails to prevent falls?
5. Are there no places where your child's head, neck or other body parts can become trapped?
6. Are there no places that can entangle clothing or anything else around your child's neck?
7. Are there no dangerous sharp points, nuts, bolts or other projecting parts that can cut or pierce your child, or that your child could bump into?
8. Are there no exposed

moving parts on the play equipment that can pinch or crush parts of your child's body?

9. Is play equipment in safe condition? Has it been adequately maintained?

10. Is the playground safely reached by children?

11. Have all the merry-go-rounds been removed?

12. Are the see-saws safe?

13. Are the swings positioned safely?

14. Are the slides safe?

15. Is the bottom rung of climbing equipment for older children far enough off the ground that young children can't climb up?

If you are interested in more information on these questions, drop by our office and ask for a copy of the PLAYGROUND SAFETY CHECKLIST as developed by Alberta Safe Kids Campaign.

Frog Lake prom and grad

(Continued from Front Page).

Director of Education, Clarence Faithful expressed his pride in the accomplishments of the graduands and wished them success in their future. He presented gifts on behalf of the Education Board to the graduands.

Laverne Wilson also presented letters of congratulation to the graduands on behalf of MP Deborah Grey. He presented the Citizenship Award from Deborah Grey to Cherie Stanley.

Dianne Faithful presented an Achievement Award from the teaching staff to Brenda Couston in recognition of her perseverance in continuing her education.

The Viola Faithful Memorial Award was presented to Steven Quinney by Annabelle Faithful and Angeline Berland as well as gifts of congratulations to Brenda Couston and Cherie Stanley.

Roses were presented to members of the teaching staff who served on the Prom and Grad Committee, and a special thank you was extended to Grace Quinney and Marguerite Miller for coordinating the evening's activities.

Principal Wilson expressed a special thank you to the teaching staff, school bus drivers, custodial staff and maintenance personnel.

The evening wrapped up with Native Dancer Zane Wade performing for the audience as well as a Native ceremony with Zane and Raymond Quinney. An Honor March and Round Dance concluded the evening's ceremonies.

Nutrition Notes

Label reading — does it mean what it says?

By the Lakeland Regional Health Authority

Consumer interest in nutrition is high, therefore, food manufacturers are using nutrition labelling more than ever to promote and sell their products. For consumers it can become difficult to know what foods to buy. Although food labels can be confusing, it can benefit consumers to know what the claims made on food labels really do mean.

Nutrition labelling is still a voluntary system, although there are guidelines manufacturers who choose to label must follow. Examples of these guidelines are listed below:

Fat-Free foods must have no more than 0.1 gm fat/serving; Low in Fat foods can contain no more than 3.0 gm fat/serving.

Cholesterol-Free foods must have no more than 3 mg cholesterol/100 gm serving and be low in saturated fat; Low Cholesterol foods must have no more than 20 mg cholesterol/serving and again be low in saturated fats.

The confusion in label reading begins when manufacturers promote their products using these terms. If consumers are not aware of these guidelines, they may be misled. For example, a Cholesterol-Free

food is NOT a Fat-Free food. Foods may be labelled "Cholesterol Free" even if there is no cholesterol in the food before packaging and if the food is high in fat other than saturated fat. A good example of this is Cholesterol Free olive oils — there is no cholesterol in olives (cholesterol being found only in animal products) and oils are high in fat. The term Light can also mislead consumers as it can refer to a calorie level, color, texture, flavor, alcohol content or fat/sodium

content. There are no specific guidelines for manufacturers to follow, so consumers must carefully read the label to determine what makes the product Light.

Once individuals are familiar with the terms used in nutrition labelling, consumers can begin to make wise, nutritious food choices. For more information on food labels or reliable nutrition information, contact your community nutritionist / registered dietician at your local health centre / unit.

NURSES COMPLETE UPGRADING -- Esther Moneta, Mary Garnett-Bennett and Barb Yopyk were among five nurses from the Elk Point Health Centre who just completed an Advanced Cardiac Life Support Course. Liz White and Kathy Prokpchuk also completed the six weeks and one weekend of training.

4-H Multi Club News -- It's Showtime!

Our club participated in the Highway Clean Up Campaign on May 4. We picked 13 1/2 miles of County roads. It is always an adventure, you never know what you might find. We observed a great number of bluebirds nesting in the AGT birdhouses. We had an early start and the weather cooperated nicely. Afterwards we enjoyed a wiener roast and a trip to the swimming pool.

The following weekend, there was a stall building work bee at Ken and Claire Ference's. Our club has more than doubled in size this year.

Achievement Day is Friday, May 31 at the Fairgrounds Arena. The grooming competition starts at 4 p.m. Come and see 24 finished steers, 15 yearling heifers and 5 cow/calf pairs and our 4-H members working at showing them at their best.

There will be one steer for auction at Achievement Day at 8 p.m., in memory of Bruce Smith. It is the steer he had picked for his project, shortly before his accident. The steer and feed have been donated, and the proceeds from the sale will go to the Elk Point Multi Club. If you're looking for some beef, here is a good

chance.

The St. Paul District Steer Show and Sale is on June 3. Parade of Champions is at 6:30 and the sale starts at 7:00 p.m.

There are 100 steers for sale.

Elk Point is hosting the St. Paul District Heifer Show on Sunday, June 9 at the Fairgrounds Arena at 1:00 p.m.

Busy times at Heinsburg School

By Fiona Daniels
Heinsburg Student Journalist

The past two weeks has been an eventful and busy time for both elementary and high school students at Heinsburg School.

With an upcoming baseball tournament at J. F. Dion Elementary in Fishing Lake on May 24, Mr. Smuk's Grade 5 and 6 class has been hard at work practicing. There will be teams from Frog Lake, Heinsburg, Elizabeth and Fishing Lake competing. This tournament is held every year and is always a day of fun and fierce competition.

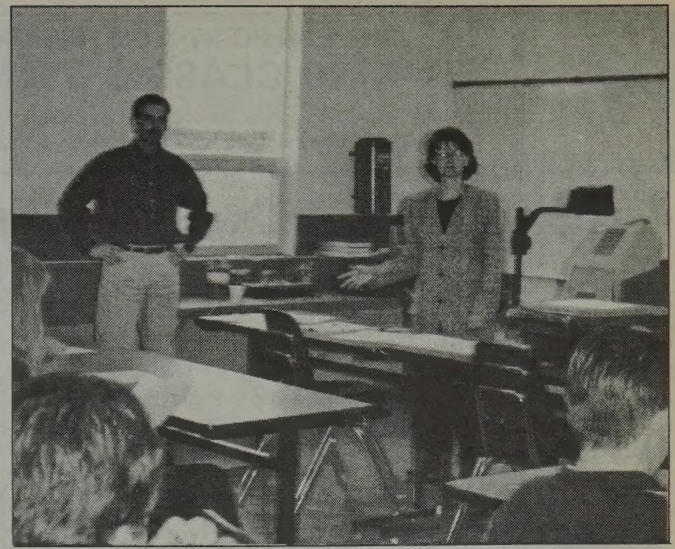

Another event coming up for Elementary is the annual track and field meet which will be on May 30. The meet will be held in Fishing Lake this year. Students from Grades 1 to 6 from Heinsburg, Frog Lake and Fishing Lake will take part.

In other Elementary news, Mrs. Bintz's Grade 3 and 4 class got to learn about Germany from Sissy Thielen. Sissy, an exchange student in our school, gave the class a presentation about her country on May 22. The kids learned about what

kids their age do in another part of the world, as well as learning about a different way of life.

In Senior High, the County track and field meet was a successful day for some Heinsburg school athletes. Trish Keast, Stacey Fluney, Michael Callioux and Leslie Callioux will all be going to Zones which will be held in Bonnyville on May 27. Trish will be competing in Long Jump, 100 m, and will also be running in a combined relay team in the 4 x 100m. Stacey will be going in high jump, Leslie will be in discus, and Michael will be competing in 3000 m. and 1500 m. races after he made a new Country record in the 3000 m.

Final preparations are now being made for graduation which will be on May 31. The banquet, which is by invitation only, will start at 5:30 in the Heinsburg Hall. The ceremonies will start at 7:00 p.m. in the school gymnasium. At 9:00 p.m., the dance will start back at the hall. Everyone is invited to attend the ceremony and dance to help the Class of '96 celebrate the end of our high school days.

JOB INTERVIEW SKILLS -- were presented to F. G. Miller's Grade 12 students last Thursday by Trent Dixon and Vici Cox of Pan Canadian Petroleum, who gave a number of pointers on what to do and what not to do when going to a job interview. The students were able to put what they had learned to use later that day when each was interviewed by one of nine Pan Canadian representatives.

This simple drill saves time, money and lives.

With over 150,000 miles of underground lines buried throughout Alberta, learning what's beneath your drilling project is crucial. Damaging one buried facility could cost your company thousands of dollars in repair work – or possibly a life. That's why, more and more well drillers use Alberta One-Call to arrange for buried facility locates. Call Alberta One-Call at least two full working days before you drill and find out where the hidden hazards are at no cost to you. Just remember, it's your responsibility to hand expose these facilities before you proceed. So, call Alberta One-Call today and let the drill begin.

Summer reading program coming soon to a library near you!

By Michele Duczek
Librarian

The library's summer reading program is just a few weeks away! This year's theme is Camp Reads-alot and we plan to have activities relating to camping and the outdoors. Keep an eye out for posters and signs, and "Happy Camping!" Here are some of the new picture books in the collection, several of which have already been read and enjoyed at storytime.

Here Comes the Aliens by Colin McNaughton. This rhyming picture book warns us that "The aliens are coming!" and only one thing may stop them. What can that be?

Boland and his friends are under pressure to join the Swamp Gang headed by the world's first bully, Tyrone, in Tyrone and the Swamp Gang by Hans Wilhelm. When Tyrone's mean pranks get out of hand, Boland tries to teach him a lesson.

Patty Jane Pepper is never leaving her room again after being (unjustly) punished by her parents. In Now Everybody Really Hates Me

by Jane Read Martin, Patricia Marx and Roz Chast, Patty Jane details how she will survive not ever leaving her room. A hilarious tale told in deadpan style.

Barbara is bigger than all the kids in her class and this causes her all sorts of problems in Being Big by Sharon Liddell and Yvonne Cathcart. When

her attempts to become small fail, Barbara's mother points out all the things she can do because she is bigger than her friends.

Grover takes on the exhausting role of Cupid for a young couple separated by a huge wall in Grover, Messenger of Love by Patricia Thackeray and Joe Ewers.

Clifford Barks! by Norman Bridwell is a simple tale with an added surprise, just press the button every time a paw sign appears in the story and hear Clifford bark.

Playing Right Field by Willy Welch and Marc Simont tells the story of a youngster who isn't the best player on his team and who is relegated to play right field, the dead zone. He daydreams of playing like the great players of old.

Wet World by Norma Simon and Alexi Natchev shows the fun that is possible when the rain falls and everything is wet, wet, wet.

In Dog Donovan by Diana Hendry and Margaret Chamberlain, the Donovans get a dog to protect them from all the scary things out there. The dog, Hero, is perfect for the family since he is scared of everything.

Tess by Hazel Hutchins and

Ruth Ohi tells the story of a young girl growing up on the prairies and how she and her brother had to gather cow manure to burn for heat and cooking. They keep it a secret so the neighbors wouldn't make fun, but a strange thing happens when Tess's haughty neighbor, Mr. Wright, discovers the secret.

Card of Thanks

ZAROWNY

The family of Elizabeth Zarowny would like to thank all of our family and friends for their thoughtfulness and support during our recent loss. The cards, phone calls, gifts, flowers, visits and caring and compassion made it that much easier during our time of grief. Thank you to Father Roman Dobriansky for officiating to the Cantors for the touching service. Many thanks to the Ukrainian Catholic Church Women's Assoc. for the coffee and doughnuts and to the Seniors' Center for the lovely lunch.

Thank you to John and Caroline Yewchin and staff for all your caring and compassion.

Special thanks to Dr. Ramful and staff at the Elk Point Health Centre for your caring. Her last days were made comfortable and she clearly enjoyed being able to chat with some of her old nursing buddies.

Many thanks to the staff from the Health Unit for your efforts in helping Mom spend as much time in her home as she could.
